LADIES' BUCKLE
W. BOHM, INVENTOR & PATENTEE.

THE subscriber having obtained Letters Patent from Washington, for an improvement in the construction of LADIES' BUCKLES, is now ready to furnish the same in every variety of style. [illegible] Buckle possesses several very important improvements over any other in use.

The invention having been carefully examined at the Patent Office, has been adjudged to be a useful improvement, and Letters Patent have been granted for 17 years. It excels all other Buckles in usefulness, strength and appearance. The public is respectfully invited to call and examine the Buckle at the Jewelry Establishments of

No flag but the Old Flag—the Red, White and Blue,
With the stars of a Union unbroken and true!
Arise and defend it! ye sons of the brave,
Whose blood bought the banner, your valor must save.

MONDAY MORNING, SEPT. 19, 1864.

NATIONAL UNION NOMINATIONS.

For President,
ABRAHAM LINCOLN,
Of Illinois.

For Vice-President,
ANDREW JOHNSON,
Of Tennessee.

For Presidential Electors,
GEORGE L. WOODS, of Wasco County,
H. N. GEORGE, of Linn County,
J. F. GAZLEY, of Douglas County.

To Union Democrats.—Now that the nominations of the traitors who met at Chicago are before the people, we ask those who have hitherto considered themselves as Union members of the Democratic party to attend the meetings and listen to the harangues of the stump speakers who advocate the election of McClellan. Mark well their every expression. They may speak a few words in an attempt to cover up their hellish disunion scheme, and keep those who love the country in the traces, but any one possessed of ordinary intelligence can detect the ill-concealed desire to permit the South to secure their independence without a longer struggle. The end of the war is very near, the copperheads are conscious of it; they are excessively anxious to stop it at once, or the war will stop through the defeat of the rebels. They will denounce Abraham Lincoln, the whole North, those in the South who wish to be reunited with the North, and every thing and everybody except treason and traitors. They will tell you that Abraham Lincoln inaugurated this war. They will talk of the heroism of the South, and shed crocodile tears over the word-pictures of their own painting where are depicted the sufferings of the gallant South. They will not talk of the supremacy of the National Government. They will not wish the Union restored, nor will they claim for McClellan a desire to restore it. We ask the Union Democrats to attend the gathering of the Northern traitors whenever they are public, and if they do not find that we tell them the truth, we will not grumble or call them traitors for voting for double-back-action McClellan.

Proposed Copperhead Paper in W. T.—A neat but exceedingly frothy prospectus for a new copperhead paper to be established at the capitol of Washington Territory, has recently issued from the office of the Territorial Printer. It certainly will not pay—if ever established—without the official patronage is more prolific of "greenbax" than it was formerly assumed to be. To console the enterprising "publishing company," we recommend to them to read the following item from the Marysville *Appeal*:

In reply to a question as to the success of the Merced *Banner*, the tall editor of that sheet, Hall, said, on his release from Alcatraz: "The cursed thing has gone to the ——— and I wish its patrons had followed it. Only seven of them ever paid me a cent, and five out of the seven were Black Republicans."

We learn that the managers of the Mechanics' Fair have ordered an artist to remove a plaster bust of Hon. John B. Weller from the art gallery of the Pavilion.—*Dem. Press.*

We hope this is true, though the authority is suspicious. We want to see no traitors' busts in public places. If a gallery of infernal rebels had been erected in the Pavilion, Weller's would have been in place.—*Appeal.*

We differ with the *Appeal*. We would like to see each and every telegraph pole from Puget Sound to Cairo ornamented with the bust of a traitor if the traitors were not all buried before the linear gallery was filled. We'd like to see the bust of every traitor in the country done in clay immediately after death—say next week.

The following is from the "Sunday edition of the *Democratic Press*, containing in the latter clause the prayer part of the service of the Methodist Episcopal Church South:

The "Great North," that was going to "claw up" these ragged heroes in ninety days, has not found means enough to do it in ninety years, also if they hire a nation of Irish and Germans to carry the musket; they have been too cowardly to shoulder. These ragged rebels are now fighting the cause of enlightened American liberty, against a vulgar and plebian despotism, and let every patriot cry, "God speed them in their good work."

"Sold Again."—The Victoria *Chronicle* says the propeller *Jenny Jones* is to run between Victoria and Olympia, carrying the mails semi-weekly between those points. We think there is some mistake about this, as the mail is only weekly on the Sound, and the owner of the boat was making his arrangements, a short time since, to make regular trips between Portland and Victoria.

Attempted Assassination.—An attempt was lately made to assassinate the editor of the Nevada, California *Gazette*. He was fired at by some one concealed in the bushes while on his way from San Juan to Nevada. The *Gazette* has dealt rather roughly with copperheads, and "chivalry" is supposed to have been at the bottom of the affair.

On Exhibition.—The beautiful quartz specimen brought here by the Hon. [illegible] Boriand, [illegible] designed for the Sanitary Fair, is now exhibited at Moore's store, at Salem. It weighs 24 ounces, and is two-thirds gold. Mr. B. hopes to realize $1,000 for the Sanitary fund by its sale.

Something New for Oregon.—A large number of ladies occupied seats in the gallery of the House Thursday afternoon. This is the first time, we believe, in the history of Oregon, that the "fair sex" have favored the Legislative Halls with their presence.

Copperheads don't mix [illegible] with religion—oh, no! Last Sunday at the close of the services held by the Pacific Methodist Church—South—at Rockville, Solano county, a large number of the Democratic campaign [illegible] distributed among the faithful.—*Appeal.*

Sanitary Fair.—Mr. [illegible], one of the soldiers at Fort [illegible], has a [illegible] pet bear which he designs donating to the Sanitary Fair. It will probably be sold at auction, and we shall expect it to bring a good round sum.

SPECIAL DISPATCHES TO THE DAILY OREGONIAN.

LATER FROM THE EAST.

Dates to September 14.

New York, Sept. 14.—The *Post's* special advices from Army of the Potomac say that the rebels are feeling our line slightly, but have made no general attack at any time.

[illegible]

Washington, Sept. 16.—No important news from Army of the Potomac. The works of the enemy [illegible] have been fortified recently. Deserters say the enemy is being strengthened by reinforcements from various points, and by a large number of conscripts, who appear to have deserting proclivities.

Grant telegraphs from City Point on the 13th, that he ought to have the whole number of men called for by the President in the shortest time possible for the prompt filling up of the armies. He says it will have more effect on the enemy than a victory. They profess to believe there is such a strong party North that the draft cannot be enforced. Let them be undeceived. Deserters tell us daily that their men are nearly universally tired of war, and desertions would be much more frequent, but they believe that peace will be negotiated after election. The enforcement of the draft and the prompt filling up of our armies will save the shedding of blood to an immense degree.

(Signed) GRANT.

The following telegram has been received from Sherman.

Atlanta, Sept. 13.—I am glad to hear that the draft will be enforced. First, Because we need men. Second, They come as privates to fill up old and tried regiments with experienced officers already on hand. Third, Because the enforcement of law will manifest power in our Government equal to the occasion. Our Government, though Democratic, should, in times of trouble and danger, be able to wield power.

(Signed) SHERMAN.

The draft has been ordered to commence in all the States and districts where the quota has not been filled by volunteers, on Monday, 19th inst. Substitutes will be received and credited to as late periods as possible.

(Signed) STANTON.

A letter from Sheridan near Berryville, dated the 13th says: We made a reconnoissance in force, crossing the Summit and Winchester road over Opequan creek. A skirmish ensued in which we captured 116 men of the 8th Carolina Regiment, with battle flags, also 14 men of Gordon's division. Our loss is slight.

Cairo, Sept. 13.—The Charleston Mercury says: Foreign residents in Savannah, who will not organize for the defense of the city, will be sent to Atlanta.

Vance's majority for Governor of North Carolina over Holden, peace candidate, is estimated at 50,000. The total vote will reach 75,000.

The Government powder works at Augusta, Ga., blew up on the 3d, with 30,000 pounds of powder.

Macon, Sept. 3.—The Yankees completely destroyed the railroad between Jonesboro and Eastpoint. They burnt every tie and broke every rail. Our pickets extend 6 miles beyond Jonesboro.

Macon, Sept. 10.—Hood's received yesterday a flag of truce from Sherman. He states he had ordered Atlanta cleaned of all the white inhabitants. Those taking the oath are to be sent North. Those refusing are to be sent South. An armistice of ten days was proposed to carry out the order. Hood accepted the armistice but denounced the order as barbarous.

Albany, Sept. 14.—There is a large attendance at the Democratic State Convention. Hon. Marshall Champlain was elected temporary chairman. The entrance of Fernando Wood into the Convention excited much comment.

Cairo, Sept. 14.—The New Orleans *Picayune* says:

The election of the 8th was most quiet and orderly ever held in that city. 10,000 votes were cast, exclusive of two precincts in the fourth district and the second poll of the first precinct.

The Constitution was adopted by 4,000 majority. Only 800 votes were cast against it.

Augusta, Me., Sept. 14.—One hundred and fifty-six towns give Coney 11,900 majority. If the Union vote in the remainder of the State is in equal proportion, Coney's majority will reach 20,000.

Hartford, Conn., Sept. 14.—The Democratic State Convention was fully attended and enthusiastic for McClellan.

San Francisco, Sept. 17.—Private telegrams quote gold on the 13th at 227; on the 14th at 223; 15th at 223. The Provost Marshal here is not known to have received orders to commence drafting as yet.

FROM THE CAPITAL.

[SPECIAL CORRESPONDENCE OF THE DAILY OREGONIAN.]

Salem, September 15th, 1864.

The last thing done to-day being the most important and the most interesting to the public I will commence my letter by an account of the Joint Convention that has just resulted in the choice of a United States Senator, and much to the surprise of most every one, as there seemed little probability that such a result could be arrived at on the first half day's voting.

HOW THE THING COMMENCED.

At 2 o'clock P. M., the two Houses met in Joint Convention as agreed: the Hall of Representatives was crowded with spectators, and the front seats of the gallery were adorned by the presence of the ladies in numbers, who were evidently curious to [illegible]

HAVING been compelled to accept of Legal Tender Notes at par since the 17th day of December 1862, for the rent of my [illegible] Brick Store, corner of Morrison and Front streets, I feel compelled to announce for the benefit of the public at large, that

Jacob Mayer

Leased the building of me on the 17th day of February, 1862, for a term of years at which time there was no such currency in vogue, and it was understood the terms were CASH. Since the date above stated I have received the depreciated currency regularly under protest for the rent of the

CITY OF PARIS STORE,

Making less than two-fifths of the real amount. Said Mayer was to pay. He had secured the building at very advantageous rates, and then went to work to comply with his contract, and paying COIN would be getting the best bargain in the city. I make this statement to show the public what kind of a man he is, to take such an unfair advantage of the times to convert a few dollars to himself by LEGAL SWINDLING. The public can readily see what it costs to have such tenants.

WE READ THAT ONE OF the sorest afflictions that the [illegible] that Job was called upon to bear was that of boils, and they have been found to be, from that time to the present, the most troublesome and painful of visitors. We have known instances where individuals were sure to have these eruptions break out upon them once a month at least. They show an impure state of the blood, and that humor of some kind is lurking there, and the overplus of corruption is actually forced to the surface of the body, making its appearance in the form of Boils. Now, is it not best at once to purify the system? Do you ask what will do this? We answer, **Scovill's Blood and Liver Syrup.** It is curing humors in every form, and there is not a State in the Union where it has not accomplished the most astonishing cures. A PLEASANT SABBATH.—It is seldom a finer Sabbath day is vouchsafed to our citizens than yesterday. After a very general attendance upon the various places of resort for worship, large numbers of ladies and gentlemen wandered away either to the verdant elevations back of the city, or else down along the wharves, feasting their eyes upon the superb architecture marking many of our river boats, along the upper city front, and down to where our ware houses receive the inward cargoes of the ocean traveled fleet. To those who have never familiarized themselves with the appearance of extensive intramarine ports, the surprise was great to find the elegant, staunch and stately craft reposing alongside the docks and piers. And it so happened that yesterday all the craft in port were of a superior class in point of structure and appearance. Among them the bark *Rhoda*, which has been pronounced by nonpassengers as fine a specimen as ever floated—the bark *Industry*, which has won a creditable reputation by her successful voyages—and the new-comer bark *Clara Rosa Sutil*, that looked like a picture beneath her tapering spars and taut rigging, as she mirrored on the glassy waters of the river, and contributed her mite to the miniature forest of flag decked masts from Beyond the sea. These especially were the wonder of those just from the salt water front, where they had heard that the sailing vessels *could not get up the Willamette, but were discharging their cargoes at its mouth*. Prominent among the splendid fleet of our river steamers stood the *New World*, stretching in front of the Union Salt Works wharf, looking finely after the overhauling she has just received—the steamer *Julia*, lying alongside. Next comes the staunch new steamer *Cascades*, recently constructed at this city for the Columbia river trade. Enumeration of the rest is unnecessary, but when taken together the *Rival*, *Wilson G. Hunt*, *John H. Couch*, *Rescue*, *Celilo* and other smaller craft, make up a very lovely sight, and yesterday was a lovely day to view them.

ANOTHER ONE GONE.—Passing down First street on Saturday evening, we noticed the tearing down of another of the old landmarks of Portland, at the junction of Oak street. While looking on at the work we were forcibly reminded of the song of the Old Sexton: "I gather them one by one." So it is with Portland, "one by one" the old buildings are being gathered in. *Hum fuit* seems to be written upon everything that marked Portland as it was in the days that are shrined in the memory of the oldest inhabitant. The changes however, we are happy to say are for the better continually. The Rip Van Winkle [illegible], that has, like a pall of evil omen, so long rested over our place, is at last being raised, and while we regret the loss and miss the familiar faces—if we may use that expression—of these old buildings, we are consoled in our regrets that new and superior structures are being erected in their places, not structures of wood, canvass, cloth and white wash, but substantial stone, brick, and mortar that will be lasting monuments of the energy, taste, and determined enterprise of our citizens. The old building referred to above was erected by our townsman, Mr. F. DeWitt, in the autumn of 1850, for a hotel, and was used as such during the following winter, spring and summer, and we can say that under his control the "City Hotel" ranked among public houses as does the "Arrigoni" of the present day. Since that period it has passed through all the changes incident to houses, and especially old houses, until at last that never-ceasing march of improvement, and desire for change has demanded its demolition. We have not learned what disposition is to be made of the debris, if committed to the flames, with head uncovered we devoutly say "peace to its ashes."

SERENADING AT THE WESTERN HOTEL.—Soon after the arrival of the stage coach from Salem last Saturday evening the Mechanics' Brass Band were mustered together, and marched around to the Western Hotel, where a gathering numbering some few hundred persons assembled, and a delegation of the sojourners at the Capital appeared on the balcony and made brief speeches. Rev. Thos. H. Pearne, alluded to his entering upon the contest for the Senatorial seat; and stated in his usual pleasant manner that he "had come out at the little end of the horn." He did not seem much the worse after the contest that has resulted in his defeat. Hon. J. H. Mitchell [illegible] in a few brief remarks, in vindication of his course against private reports concerning his action on the Senatorial question. The affair was an impromptu matter, and was not publicly known in time for much of a meeting.

PRESENTS FOR THE STATE SANITARY FAIR.—We have noticed several articles of contribution to the State Sanitary Fair from this city, among which conspicuously appears a handsome Oriental painting of a wreath, presented by Miss Mary A. Clinton, of East Portland, which has been left at the store of H. W. Corbett, Esq. The case of birds, prepared by Mr. Douglas, naturalist, has also been presented and left at the same place. The Fair will open at the State Capital on the 27th inst., at the commencement of the Agricultural Fair, and all persons wishing to contribute articles for the purpose are requested to leave them at the Baptist Church between the hours of 8 and 10 o'clock A. M., to-morrow, that the Multnomah county committee may appraise and prepare to forward them.

FAILED TO CONNECT.—Saturday evening, 17th inst., was the time appointed by Messrs. Saunders, Clay, Clement, [illegible], Vallandigham & Co., for the ratification of the Chicago nominees; a grand time was anticipated, but unfortunately for the ratification meeting, the Mechanics' Brass Band were engaged to serenade the Members of the Legislature, and their music so entranced two of the McClellan men that they forgot the meeting, and the third one did not get in from an adjoining county, until too late at night. Hence the nomination was not ratified. If the peace-at-any-price, unconditional Union Democrats do not fail to connect on November 8th, the Grave-digger of Chickahominy will perhaps get their votes in this county.

BENEFIT OF WM. WICKAM.—We are informed that Bassy's Variety Troupe will return from the Dalles by the steamer *Wilson G. Hunt* to-day, and give an entertainment at Willamette Theatre, this evening, for the benefit of Wm. Wickam, a young man now stopping at the What Cheer House, who has unfortunately lost his left leg by white swelling.

DROWNED.—A man by the name of Collins, who was sent from the Cascades on Saturday, in the employ of the O. S. N. Company, to aid in discharging way freight from the propeller *Celilo*, accidentally fell overboard when the boat was opposite Little Howe's ranch, and was drowned. The boat was immediately stopped, and life preservers thrown to him, but all to no purpose, and he suddenly sunk. We are not informed as to whether he has relatives in this section of the country, but presume not.

FOR RAFFLE.—Persons who consider themselves of the lucky kind, can have an opportunity of testing their chances for the winning of a handsome case of birds, that will soon be raffled for at the Oro Fino, in this city. The birds are now on exhibition at that place.

LATE PAPERS.—We are under obligations to our fellow townsman Mr. Mansfield, for a file of late Victoria papers. Mr. M. left Victoria on Thursday last at 10 o'clock A. M., and arrived in this city on Saturday evening at 6 o'clock, thus making a very quick trip, via Olympia and Monticello.

EXPORTS.—The bark *Industry*, Corno Master, will sail to-day for San Francisco with a very fair freight of Oregon products, as follows: Oats 312 sks; bran 722 sks; middling 67 sks; wheat 221 sks; potatoes 159 sks; flour 182 sks; eggs 14 bxs; apples 481 bxs; wool 22 bales; 10 100 lb kegs lard; 12 cords wood; 1 block of marble weighing 4,000 lbs.

THE BARK ALMATIA.—This vessel, Capt. Richardson, is now discharging cargo at Couch's wharf in this city. She will be ready to receive freight for San Francisco on Wednesday, and is advertised to leave for that port direct on Friday morning.

THE CASCADES' BOILER.—The boiler for the new steamer *Cascades* arrived by the bark *Almatia*, and will be placed on board this week. The boiler now in this steamer was only intended for a temporary purpose.

CLARA ROSA SUTIL.—The bark *Clara R. Sutil*, a neat little Eastern built craft, reached this port yesterday, in tow of the steamer *Julia*. She brings 228,000 feet of red wood lumber, 25 casks Cumberland coal, and 35 tons pig iron, to Capt. Dodge.

STREET AMUSEMENTS.—Under this head we have a heavy dog fight to record, at the junction of Taylor and Front streets, nearly terminating in a row between sundry individuals.

LINE DOWN.—The telegraph line was reported down east of Carson City, Nevada, last night.

ATTEMPTED MURDER OF A DETECTIVE.—Detective officer Rose, of San Francisco police, was severely and perhaps fatally wounded at San Jose recently by a ruffian named Chas. J. Mortimer, formally of California State Prison, whose arrest he sought to effect. The utmost exertions were being made to secure the villain.

REVENUE CUTTER SHUBRICK.—This popular steamer is now at Port Madison, W. T., undergoing some necessary repairs to her boilers.

THE GUERRILLAS.—The *Bee*, of Monday the 5th, says:

"The trial of the stage-robbing guerrillas is resumed at Placerville to-day. Evidence that will be produced during its progress, will, we are assured by those who are cognizant of it, expose the complicity of prominent Copperheads of this State with the objects and movements of Ingraham's gang, to such an extent as to convince the people what a reckless set of men we have in our midst—men who are ready at any moment to inaugurate civil war here, and who are endeavoring, under the name of Democracy, to plunge this State into a position of hostility to the Government of the United States."

SANITARY CONTRIBUTIONS.—All ladies who are preparing articles for the State Sanitary Fair are requested to take them to the Baptist Church, on Tuesday morning Sept. 20th, between the hours of eight and ten o'clock, as the Committee wish to appraise and prepare to forward them.

MRS. A. C. GIBBS, Secretary
Portland, Sept 15, 1864. Ladies' S. A. Society.

SOCKS FOR THE SOLDIERS.—Many of our Ladies are acting upon the suggestion of Dr. Bellows, to keep their own hearts warm and do good by knitting "soldiers socks." For the benefit of Ladies at a distance we would state that it is desired to make the first shipment as soon as the first of November. Socks may be forwarded to any member of the Central Committee of the Oregon branch of the United States Sanitary Commission.

Judge E D Shattuck, Messrs H W Corbett, H Failing, O R Gibson, P C Schuyler, jr, A Starr, C H Lewis, Col. McCracken—Committee.

Dysentery.—For Dysentery and similar complaints of the Summer season, the PERUVIAN SYRUP has proved a remarkable preventive and cure. By imparting tone to the intestinal mucous membrane, it places this surface in the best possible condition to resist the irritation of crude and indigestible articles of food.

"A Slight Cold," Coughs.—Few are aware of the importance of checking a Cough or "SLIGHT COLD" in its first stage; that which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. *"Brown's Bronchial Troches" give sure and almost immediate relief. Military Officers and Soldiers should have them, as they can be carried in the pocket and taken as occasion requires.*
Redington & Co., San Francisco, Agents for the Pacific Coast.

Oregonians should test the merits of Dr. HOSTETTER'S STOMACH BITTERS. While it is highly palatable as a beverage, it is unequaled as an invigorator. In the pursuit of fortune at the mines, many persons are exposed to the attacks of complaints of the digestive organs and of various kinds of fever. It is the very article that has so long been in demand at the mines. Its daily use will restore the tone of a deranged stomach, impart fresh vitality to the digestive functions, and cheer the spirits. Yet the Bitters is the safest of all stimulants. Let the miner who is exposed to hot and dry, wet and cold, be certain to obtain a supply of the genuine Hostetter Bitters, and he will find it a certain safeguard to health.—Sold by Druggists and dealers generally. jy26daw

Periodical Headache—so common in uncleared and marshy countries, Tic Douloureux, that most painful affection of the nerves of the face, are often only attacks of ague in *disguise*—proceeding from the same noxious influence. Jaundice, Dyspepsia and Diarrhea are frequently but disguised forms of Intermittent Fever. Even Rheumatism and Epilepsy, often result from the same miasmal cause. For such, Dr. Osgood's India Cholagogue is an unfailing remedy. By striking at the root of these affections, it applies with equal certainty, as for the cure of Fever and Ague in its simplest forms.
Imitations are abroad! Be particular to enquire for *Dr. Osgood's India Cholagogue*. Sold everywhere.

HOSTETTER'S
CELEBRATED
STOMACH BITTERS.
THE OPERATION OF THIS PALATABLE REMEDY upon the stomach, liver and other secretory organs is singularly soothing and restorative. It regulates, recruits and purifies them. Dyspepsia in all its forms yields to its controlling and invigorating properties.

Invigorate the System.
Vigorous digestion and pure bile produce nutritious blood, and nutritious blood a healthy frame. Does the victim of a dyspeptic stomach and a disordered liver desire to know how the digestion may be improved, the bile and other fluids of the body purified?

Dr. Hostetter's Stomach Bitters
Will accomplish this desirable revolution in the system, regulating the secretions and excretions, giving tone to the animal juices which dissolve the food, strengthen every relaxed nerve, muscle and fibre, and bring the whole machinery of vitality into vigorous and healthful play.

Strengthen the System.
The best means of imparting vigor to the broken-down frame and shattered constitution, which has yet been invented or discovered, is proffered to the feeble of both sexes and all ages in

Dr. Hostetter's Stomach Bitters.
Debility, from whatever cause arising, may be cured; strength, in whatever manner it may have been wasted, may be restored by the use of this powerful and healthy invigorant. For Indigestion and all its painful effects, bodily and mental, they are a positive specific.

A word to the Aged.
In the decline of life the loss of vital force consequent upon physical decay can only be safely supplied by some vivifying preparation which recruits the strength and spirits, without entailing the exhaustion which is always the final effect of ordinary stimulants. We tender to the aged

Dr. Hostetter's Stomach Bitters,
As an invigorant and restorative, immediate in its beneficial action and permanent in its effects. It tones the stomach, improves the appetite, and acts like a charm upon the spirits.

For Females.
Thousands of ladies resort to it as a remedy for hysteria, fluttering of the heart, nervous headache, vertigo, general debility, and all peculiar disturbances and derangements to which, as a sex, they are subject. It cheers and enlightens the depressed mental powers as well as strengthens the body; and its use is never followed by any reaction.

JAMES DUFFY,
HORSE SHOER—STAR SHOP!
NO. 1 FRONT STREET, PORTLAND.
ONCE upon a time both a Soldier and a Blacksmith were required to work upon a Horse; but now the boots are done away with, and the Soldier is required no more. And not long ago Missourian Shoeing was very prevalent in this city, but now it is done away with, because the best of judges pronounce it to be only fit for Cayuse Ponies, and not for American Horses.
Having had great experience in the line of HORSE SHOEING, gentlemen favoring me with a trial can rely upon having their work executed in the best workmanlike manner, and upon the most reasonable terms.

Bide Your Time!

When base ones with fiendish hate
Fiercely crowd, and lie in wait,
Plunging you in utter fate,—
Bide your time!

When foul slander breeds apace,
Worth and virtue to abase,—
Scorn the venomed tread to trace,—
Bide your time!

When sworn foes their dirt shall fling,—
When false-hearted friends take wing,—
When the breast-warmed vipers sting,
Bide your time!

When the friends you most esteem,
Rush to swell the filthy stream,
Look up! Morn will break the dream,—
Bide your time!

Recreant ones who join the cry—
Those who flee when danger's nigh,—
Claim your scorn, but ne'er a sigh,—
Bide your time!

Never doubt the law of Heaven,
Nor be tossed and tempest driven;
"*Time at last sets all things even*"
Bide your time!

Darkest night precedes the day,—
Stormy March the flowery May,—
Curses roost at home, they say,—
Bide your time!

"*Mine is vengeance*" saith the Lord;
Let the hold who doubt His word,
Brave the flashing of His sword!
Bide your time!

VAST ARMIES AND THEIR MOVEMENTS.—There have been vast armies and grand movements in ancient times. Here is a record of some of them:

Sennacherib, the Bible tells us, lost in a single night, 185,000 by the destroying angel.

The City of Thebes had 100 gates, and could send out each gate 10,000 fighting men and 200 chariots, in all 1,000,000 men and 20,000 chariots.

The army of Terrah, King of Ethiopia, consisted of 1,000,000 men and 300 chariots of war.

Sesostris, King of Egypt, led against his enemies 600,000 men, 24,000 cavalry, and 27 scythe-armed chariots—1471 B. C.

Hannibal went from Carthage and landed near Palermo. He had a fleet of 2,000 ships and 3,000 small vessels, and a land force of 200,000 men. At the battle in which he was defeated 150,000 were slain.

Ninus, the Assyrian King, about 2,200 years B. C., led against the Bactrians an army of 1,700,000 men and 16,000 chariots armed with scythes.

Semiramis employed 2,000,000 men in building Babylon. She took 105,000 prisoners at the Indus and sank 1,000 boats.

A short time after the taking of Babylon, the forces of Cyrus consisted of 500,000 foot, 120,000 horse, and 2,000 chariots armed with scythes.

An army of Cambyses, 50,000 strong, was buried up in the desert sands of Africa, by the south wind.

When Xerxes arrived at Thermopylæ, his land and sea forces amounted to 2,614,610, exclusive of servants, eunuchs, women, sutlers, etc., in all numbering 5,282,220. So say Herodotus, Plutarch and Isocrates.

The army of Artaxerxes, before the battle of Conaxa, amounted to 1,200,000.

Ten thousand horses and 100,000 foot fell in the fatal field of Issus.

When Jerusalem was taken by Titus, 1,100,000 men perished in various ways.

The army of Tamerlane is said to have amounted to 1,600,000, and that of his antagonist, Bajazet, to 1,400,000.

PERUVIAN SYRUP,

OR PROTECTED

Solution of Protoxide of Iron,

Has been used with Great Success in Curing

DYSPEPSIA,

Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered State of the Blood, Female Complaints, Chronic Diarrhœa, Boils, Scurvy, the prostrating effects of Lead or Mercury,

GENERAL DEBILITY,

and all Diseases which require a

Tonic and Alterative Medicine.

THE PROOFS OF ITS EFFICACY are so numerous, so well authenticated, and of such peculiar character, that sufferers cannot reasonably hesitate to receive the proffered aid.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses accessible, and the safety and efficacy of the Syrup incontrovertible.

From well-known Citizens of Boston.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

Rev. JOHN PIERPONT,	THOMAS C. AMORY,
THOMAS A. DEXTER,	PETER HARVEY,
S. H. KENDALL, M. D.,	JAMES C. DUNN,
SAMUEL MAY,	Rev. THOS. WHITTEMORE.

Certificate of Dr. Hayes.

It is well known that the medical effect of Protoxide of Iron is lost by even a very brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by COMBINATION IN A WAY BEFORE UNKNOWN; and this solution may replace all the proto carbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M.D.,

IODINE WATER.

IODINE WATER IS THE MOST IMPORTANT DIScovery of modern chemistry, and it is impossible to over-estimate its influence as a remedial agent. Iodine has been considered the most useful article in Materia Medica, and many of the most scientific and practical chemists and physicians have investigated its effects upon the human system. It is to act upon the

HEART,
LIVER, KIDNEYS,
DIGESTIVE ORGANS AND GLANDULAR SYSTEM,

and to have great control over

SCROFULOUS AFFECTIONS.

Notwithstanding the zeal and ability which have been devoted to its investigation, it remained almost useless, until Dr. Henry Anders, a physician and chemist of New York, after years of patient labor and experiment, discovered a chemical process which enabled him to dissolve

PURE IODINE IN PURE WATER

without a solvent. This, considered impossible by the scientific world, is attested by certificates of analysis from Dr. J. R. Chilton of this city, and Prof. Booth, U. S. Mint, Philadelphia. The importance of this discovery was so highly appreciated by the Faculty that it was published in the Medical Journals, and its use recommended to practitioners (see "American Medical Monthly," July 5, 1859, page 76.)

This valuable medicine is now available to the public for the cure of Scrofula in all its manifold forms, Consumption, Cancer, Heart, Liver and Kidney Diseases, Rheumatism, Neuralgia, Nervous Affections, Dyspepsia, Bronchitis, etc.

AS A TONIC

Its operation is evinced by strengthening the digestive organs and increased nutrition of the body is the result of the employment of Iodine. The patient recovers flesh, strength and color; hitherto pale, relaxed and feeble, he becomes full, strong and florid.

Full directions accompany each bottle.

Sold by all Druggists. Price, $1 per bottle. Prepared by Dr H. Anders & Co, Physicians and Chemists, New York.

From the army Hospital—the bloody battle-field—the mansion of the rich and humble abode of the poor—from the office and the sacred desk—from the mountain and distant valleys and far-off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office.

[illegible], Wis., Sept. 15, 1863.

* * * I have been in the army hospitals for [illegible] months—[illegible] At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me. * * *
C. A. FLAUTIN.

SOUTH WALES, O., July 28, 1863.

* * * One young man, who had been sick and not out of the house for two years with Scrofula and Erysipelas, after paying the doctors over $250 without benefit, has been cured by ten bottles of your Bitters.
EDWARD WOURALL.

The following is from the manager of the Union Home School for the Children of Volunteers:

HAVEMEYER MANSION, FIFTY-SEVENTH STREET,
New York, August 2, 1863.

"DR. DRAKE: Your wonderful Plantation Bitters have been given to some of our little children suffering from weakness and weak lungs with most happy effect. One little girl in particular, with pains in her head, loss of appetite, and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite and strength rapidly increased, and she is now well. * * * Respectfully, MRS. O. M. DEVOE."

* * * "I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER, Madrid, N. Y."

* * * "Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.
Thy friend, ASA CURRAN, Philadelphia, Pa."

* * * "I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. I. S. CATHORN, Rochester, N.Y."

* * * "Send us twenty four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.
SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C."

* * * "I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.
G. W. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O."

* * * "The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business. H. B. KINGSLEY, Cleveland, O."

* * * "The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.
C. C. MOORE, 254 Broadway, N.Y."
etc. etc. etc. etc.

The Plantation Bitters make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya Bark, Wintergreen, Sassafras, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities, and are warranted to produce an *immediate* beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

NOTICE.—Any person pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. It is put up only in our patent log cabin bottles. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our private United States Stamp over the cork unmutilated, and signature on steel plate side label.

Sold by respectable dealers throughout the habitable globe.

"CONSTITUTION WATER,"

THE ONLY REMEDY FOR DISEASES OF THE

BLADDER, KIDNEYS,

Gravel, Dropsical Swellings,

GENITAL DEBILITY, ETC.

THE ASTONISHING SUCCESS WHICH HAS ATtended this invaluable medicine renders it the most valuable one ever discovered. No language can convey an adequate idea of the immediate and almost miraculous change which it occasions to the debilitated and shattered system. In fact, it stands unrivalled as a remedy for the permanent cure for the maladies above-mentioned, and also

DIABETES, IMPOTENCY,
LOSS OF MUSCULAR ENERGY,
PHYSICAL PROSTRATION,
INDIGESTION,
SEMINAL WEAKNESS,
GLEET, FLUOR ALBUS,

And in every disease any way connected with the disorder or decay of the PROCREATIVE FUNCTIONS. Persons about to marry, if conscious of any weakness, should take the

CONSTITUTION WATER.

Whether broken down by excess, weak by nature, or impaired by sickness, the unstrung and relaxed organization is at once rebraced, revivified and built up. Well may this celebrated medicine be called the

MEDICAL WONDER.

The stooping, trembling victim of depression and debility becomes a new man; he stands erect, he moves with a firm step; his mind, which was previously sunk in gloom of an almost idiotic apathy, becomes bright and active; and he goes forth regenerated, conscious of new vigor. The medicine reaches the CONSTITUTION itself and restores it to its normal condition.

IRRITATION OF THE NECK OF THE BLADDER,
INFLAMMATION OF THE KIDNEYS AND
CATARRH OF THE BLADDER,
STRANGUARY AND BURNING OR PAINFUL
URINATING,
CALCULUS, GRAVEL,
BRICK DUST DEPOSIT, AND MUCOUS
OR MILKY DISCHARGES AFTER URINATING.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms. TRY IT in these cases, and you will ever give praise to

CONSTITUTION WATER.

Males or Females.

Are you troubled with that distressing pain in the small of the back, and through your hips? CONSTITUTION WATER will relieve you like magic.
